BOOK YOUR EVENT WITH US

Department is a design-led coffee shop and provisions space built around quality, routine and everyday ritual. The brand combines specialty coffee with a curated retail and food + drinks offer. Our home at Campfield House is a reinvented landmark where heritage architecture meets contemporary creativity. Once part of the bustling Victorian market halls in the city's St. John's district.

In this grand space, we regularly host exclusive events, photoshoots and product launches, versatility and functionality are central to the space. Our mezzanine bar hire can be accompanied by bespoke catering from the team, be it a breakfast meet with artisan pastries, champagne + canapes or buffet.

BREAKFAST MEETS

FROM £10pp

Canapés work perfectly alongside cocktails, offering refined bites that feel substantial without interrupting the flow of the room. Our focaccia pizza menu leans into more informal, sociable dining, served to tables or laid out as a centrepiece buffet that encourages guests to help themselves.

Buffet formats, hybrid menus and bespoke packages are available on request, and our events team will be happy to advise on the best option to complement your booking.

For a seamless experience, food packages can be paired with our drinks offering to create a complete, considered event, so you can focus on your guests while we take care of the rest.

All food is prepared by the team behind Department, with menus adaptable to suit the scale, timing and tone of your event. We are happy to cater for all dietaries. Please note that some menus are subject to minimum party sizes.
